

Auteurs Sogreah	Co-auteurs	Titre de l'article	Revue/Congrès Publié dans	Dates
Denechère, M.	Besley, P. (HR Wallingford)	Single layer armour systems - TOE and crest details	Breakwaters - London, 19-22/4/2005	Avril 2005
Fons, M.	Werren, D. (Baird&Associates)	Single layer armour systems - Feedback from experience	Breakwaters - London, 19-22/4/2005	Avril 2005
Freissinet, C. ; Monteil, M.	Charron, S. ; Gresillon, J.M ; Baumont, G.	Le programme de recherche "Risque- Décision-Territoire" du ministère de l'écologie et du développement durable	La houille Blanche	HB n°2 - 2005
Gandilhon, F. ; Walther, R. ; Guilbaud, C.		Sand transport and morphology in the Gironde mouth - France	SANDPIT - Sand transport and morphology of offshore mining pits - Process knowledge and guidelines for coastal management - The European Commission Community Research - Fifth Framework Programme 1998- 2002	May 2005
Giroussens, M.		La maîtrise des inondations - Quelles innovations pour demain ?	4ème rencontres de l'ingénierie, Paris, 20 oct 05	20 octobre 2005
Hamm, L.	Gorjux, B.	The role of swell and atmospheric stability in wind wave prediction : a practical application in the bay of Seine - France	Ocean Waves Measurement and Analysis - Fifth International Symposium WAVES 2005 - Madrid, Spain	3rd - 7th July 2005
Jean, Ph.	Loubier, A. (Adamas - Avocats associés)	Réglementations environnementales en Chine: Quelles contraintes et solutions pour vos projets industriels	Conférence Chambre de Commerce et d'Industrie CCIFC, Canton	15 juin 2005
Jean, Ph.		Les enjeux environnementaux et financiers de l'acquisition d'un site industriel en Pologne : audit "due diligence".	Colloque Poleko, Poznan, novembre 2005	17 nov. 2005
Moys, G.		China urban sewage treatment and reclamation development strategy	Water Conference	Octobre 2005
Walther, R.	Walstra, D.J.P. ; Chesher, T. ; Davies, A.G ; Ribberink, P. ; Sergent, P. ; Silva, P. ; Vittori, R. ; Van Rijn, L.C	Intercomparison of the state of the morphological models	SANDPIT - Sand transport and morphology of offshore mining pits - Process knowledge and guidelines for coastal management - The European Commission Community Research - Fifth Framework Programme 1998- 2002	May 2005
Walther, R.	Grasmeijer, B.T ; Davies, A.G ; Guizien, K. ; Van der Werf, J. J ; Van Rijn, L.C ; Sutherland, J. ; Biegowski, J.	Intercomparison results of sand transport models based on "blind" benchmarking test cases	SANDPIT - Sand transport and morphology of offshore mining pits - Process knowledge and guidelines for coastal management - The European Commission Community Research - Fifth Framework Programme 1998- 2003	May 2005

Walther, R. ; Guilbaud, C. ; Evau, L.		Morphological modelling using 2DH and 3D models	SANDPIT - Sand transport and morphology of offshore mining pits - Process knowledge and guidelines for coastal management - The European Commission Community Research - Fifth Framework Programme 1998-2004	May 2005
